

## Mobile phone and 4310i communications Reference Guide

<p><b>Information Request</b></p> <p>To request the current location, speed and direction of travel of your vehicle, send an SMS message from any mobile phone to your FM 4310i unit's phone number in the following format:</p> <p>&lt;Unit access password&gt;</p> <p>E.g. WAMW (factory default setting)</p> <p>A reply SMS message will be sent to the mobile phone that the information request was sent from. In addition to this, an e-mail message will be sent to the FM 4310i unit owner informing him/her about the information request.</p>	<p><b>Airtime Top-up</b></p> <p>To top-up the prepaid airtime in your FM 4310i unit, purchase a top-up voucher from your airtime service provider or retail outlet, then send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt;unit access password&gt; 12 &lt;prepaid voucher PIN&gt;</p> <p>E.g. WAMW 12 123456789012</p> <p>An SMS and e-mail message will be sent to the unit owner informing him/her about the airtime top-up.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>
<p><b>System Test</b></p> <p>To test your FM 4310i unit, send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt;unit access password&gt; 4</p> <p>E.g. WAMW 4</p> <p>An SMS and e-mail message will be sent to the unit owner containing the system test results.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>	<p><b>Set Odometer</b></p> <p>To set your FM 4310i unit's odometer reading, send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt; access password&gt; 5 &lt;odometer reading in km&gt;</p> <p>E.g. WAMW 5 100213.5</p> <p>An SMS and e-mail message will be sent to the unit owner informing him/her that the odometer has been updated.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>
<p><b>Set FM 4310i Unit Access Password</b></p> <p>To set your FM 4310i unit's access password, send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt;unit access password&gt; 6 &lt;new unit access password&gt;</p> <p>E.g. WAMW 6 mypassword</p> <p>An SMS and e-mail message will be sent to the unit owner informing him/her that the access password has been changed.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>	<p><b>Pair New Remote Control Unit</b></p> <p>To pair an additional remote control unit with your FM 4310i unit, send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt;unit access password&gt; 14</p> <p>E.g. WAMW 14</p> <p>If you have lost your remote control unit, use the 'Un-pair All Remote Control Units' message documented below instead of this function.</p> <p><b>Caution:</b> When the SMS message is received by your unit, it will enter remote pairing mode so that you can pair a new remote control unit with it. Ensure that you go to your unit and pair the new remote control unit with it immediately.</p> <p>An SMS and e-mail message will be sent to the unit owner informing him/her that a new remote control unit has been paired.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>
<p><b>Un-pair All Remote Control Units</b></p> <p>This function should only be used if you lose your FM Protector remote control unit!</p> <p>To un-pair all remote control units from your FM 4310i unit, send an SMS message from any mobile phone to your unit's phone number in the following format:</p> <p>&lt;unit access password&gt; 16</p> <p>E.g. WAMW 16</p> <p><b>Caution:</b> When the SMS message is received by your unit, it will enter remote pairing mode so that you can pair a new remote control unit with it. Ensure that you go to your unit and pair the new remote control unit with it immediately.</p> <p>An SMS and e-mail message will be sent to the unit owner informing him/her that a new remote control unit has been paired.</p> <p><b>Note:</b> A reply is sent to the unit owner and not to the mobile phone that sent the original SMS message.</p>
